

COMMERCIAL WARRANTY

COVERAGE

Blizzard, a division of Douglas Dynamics, LLC, warrants to each purchaser of a BLIZZARD® spreader that the spreader will, for a period of two (2) years after the date of original purchase, be free from defects in material and workmanship. Blizzard warrants accessories, service parts, and components purchased separately for a period of one (1) year after original purchase to be free from defects in material and workmanship.

The foregoing warranties are exclusive and in lieu of all other express and implied warranties (except of title), including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

WHAT IS NOT COVERED

This warranty shall not apply to finish, engine, or any parts not furnished by Blizzard or any damage caused by such parts, or to parts which shall have been repaired or altered by others than Blizzard so as, in Blizzard's judgement, adversely to affect the same, or which shall have been subject to other than normal use or service, negligence, accident, or improper installation, maintenance, care, or storage. Engine manual has separate engine warranty.

Further, attachment of a BLIZZARD spreader to motor vehicles is at the risk and expense of the purchaser. Compliance with applicable motor vehicle regulations is the responsibility of the installer. Blizzard does not assume any liability for any damage to a motor vehicle resulting from the attachment or from the use of a BLIZZARD spreader. Although BLIZZARD spreaders are designed to fit specific vehicle models, Blizzard does not assume any liability for the cost of modification of the spreader or the vehicle required to attach the spreader.

Blizzard will not be responsible for any expense related to parts or labor which is unrelated to defects in material or workmanship of a BLIZZARD spreader.

REMEDY FOR DEFECTIVE SPREADER

If within such warranty periods any part thereof is proved to Blizzard's satisfaction to be defective, such part shall be repaired by Blizzard or its authorized distributor or dealer or, at Blizzard's option, replaced FOB Blizzard factory without charge, including labor costs at its standard rate incurred while repairing said spreader. Blizzard's obligation hereunder shall be limited to such repair or replacement, provided that the purchaser of that spreader has followed the procedure for obtaining warranty performance set forth below.

Blizzard's liability is expressly limited to replacement of defective parts as herein provided. Blizzard shall not be liable for any consequential, incidental, or contingent damages whatsoever, whether for breach of contract, breach of warranty, negligence, or other tort, or on any strict liability theory.

PROCEDURE FOR OBTAINING WARRANTY PERFORMANCE

Within ten (10) days after the discovery of any alleged defect, the purchaser of the spreader must notify Blizzard of the claimed defect, in writing, provide proof of original purchase and, at Blizzard's option, return the allegedly defective part to Blizzard FOB its factory or to its authorized distributor or dealer.
